1. Is your baby breast-fed or formula-fed?
2. If formula-fed, what type of formula is your baby drinking?
3. Do you warm your baby's bottles?
4. How does your baby prefer to be bottle fed? (Sitting up while held, lying down while cradled in arm, etc.)
5. Does your baby have any digestion problems? (excess gas, colic, excessive vomiting)
6. How frequently does your baby drink a bottle?
7. How often do you usually burp your baby during a feeding?
8. Is your baby eating solids (cereal or baby foods) yet?
9. Does your baby drink any other liquids? (water or juice) If so, how many ounces, how frequently, and do you dilute the juice?
10. Does your baby have any allergies?
11. Does your baby have any unusual bowel or bladder habits that we should be aware of?
12. How long is your baby usually awake after a feeding?

13. How does your baby like to be put to sleep? (rocked, walked and cuddles, falls asleep in swing...)
14. Does your baby use a pacifier? If so, when?
15. Does your baby have a favorite toy that he/she is attached to?
16. How long does your baby normally sleep between feeding?
17. Is there a certain time of day when your baby is fussy or fretful?
18. What do you usually do to calm your baby when he/she is fussy or fretful?
19. What does your baby like to do when he/she is awake?
20. Is there anything else you would like to tell us about your baby?
21. Does your baby have a nickname?

Thank you for your time,

The Infant Room
